BIRTHDAY PARTY

In November 2021, The Ministry was able to celebrate with Andreas Louizou for her delayed 50th birthday. This event had been scheduled for her actual 50th birthday, however due to Covid-19, the event was delayed by a year and became a 50+1 event.

As this was such a milestone event and with the frustrations of multiple lockdowns, the team went above and beyond to ensure the success of this event. With Greek heritage, catering was sourced from their local Greek restaurant in North London and delivered to the venue as a surprise for the guests.

The venue was transformed into an alpine ski lodge and bespoke themed cocktails offered throughout the event.

“Thank you so much for everything! Forever grateful to you & your team for giving Androulla the best birthday ever.”
